# Teardown

make clean

- We need help with a lot of stuff for teardown. Please consider staying around a day or two to help. Every little bit helps! These things are way easier with many hands.
- **There will be food, and bar leftovers**
- We start teardown at 13:00 tomorrow Tuesday with a meeting in the workshop rooms. Please be there so we can assign tasks and have a nice and efficient teardown.
- First shared teardown meal will be at 19:00 — Jonathan is cooking! Meal times will be 09, 13 and 19 like under buildup.
- We have the venue until Friday, but we are aiming for having most stuff done at the end of Thursday.
- The tents are getting forklifted and packed into the lorry Thursday, and the lorry itself is picked up Friday.
