- **Please stand up and be recognised!**

# Teardown

- We need help with a lot of stuff for teardown. Please consider staying around a day or two to help. Every little bit helps! These things are way easier with many hands.
- **There will be food, and bar leftovers**
- Villages can help by taking down their own tents (ask us if needed)
- Teardown begins tomorrow Thursday, coordination meeting at 16:00 @ info
- First shared teardown meal will be Thursday at 20:00 – Jonathan is cooking! Meal times will be at 09, 13 and 20 like during buildup.
- We have the venue until Sunday, but we are aiming for having most stuff done at the end of Friday.
- The tents are getting forklifted and packed into the lorry Sunday, and the lorry itself is picked up Monday.

- Please submit feedback on the website.

So long and thanks for all the fish (and  
other food)!

Food area tent stays up until Friday

# Speakers Chair Burning

We will have the traditional burning of the Speakers Chair tomorrow Thursday at 23:00 at the fireplace on main camping, weather permitting. Otherwise we will reschedule, it is getting burned one way or another.

# Post BornHack Blues

- Post-camp blues are real, they can be rough. Suggested remedies include:
- Watch talks you missed on Youtube
- Play with your badge
- Organise your pictures, send the cool ones to us
- Stay in touch online with old and new friends
- Buy a BornHack 2022 ticket
- Keep hacking!

# BornHack 2022

BornHack 2022 will be from the 3rd to the 10th of August 2022, Wednesday to Wednesday.

Hopefully in a corona-free environment!

(btw. MCH is late July!)

## Bar Inventory Sale

- Tomorrow we will open a popup bar to sell the bar inventory we have left
- It will be located in the pavilion next to the infodesk
- We have Mate, Beer, Vodka, Akvavit and Sevablødda.
- Reduced prices!

# Speakers Tent Teardown

- We would like some help tearing down the speakers tent right now
- When Goodbye World is done we will empty the tent and then start tearing it down
- Chairs go to the AVIS car on the road, tables on pallets
- Please be careful and listen to the yellow vests, they know how to do it safely
- The packing and stacking of the tent parts is important to get right, so ask the yellow vests how to do it, so we don't need to re-do it :)

**Much love from Orga <3**

See you all in 2022!

... and in the bar later! :)
