

# Fire Prevention Rules

**The following rules apply to anyone present at BornHack 2018:**

- Open fire is **strictly forbidden** outside of the barbequeue and smoking areas.
- Emergency exits must not be blocked, and items must not be placed in escape routes or on stairs.
- Firefighting equipment must always be kept unobstructed.
- Electronic equipment must be used with caution, and must be turned off when not in use.
- Smoking is forbidden outside of the smoking areas.
- The gas barbequeues may only be used in the presence of a CERT person in an orange vest, and only between 12-15 and 18-24.
- The coal barbequeues may only be used in the presence of a CERT person in an orange vest, and only between 20-24.
- Hot garbage should be disposed of in the metal container in the food area.
- Highly flammable liquids (like gasoline, kerosene, acetone or rubbing alcohol) may only be used with permission, and must be kept in sealed containers.
